

YCH COMMISSION PERMISSIONS

for the YCH (Your Character Here) Commissions of Dezy Delaceur

Hello, and thank you for supporting my little art shop! If you have purchased a YCH Commission from me, you will have received access to two documents, titled *YCH Commission Permissions* and *Artwork Commission Contract*. The former - the document you are reading right now - will explain what my YCH Commissions are, how the process will work, and the terms and conditions of their use as the customer who has purchased this service. The latter is the Contract which applies to all of my artwork goods and services which applies to all individuals the moment a transaction is made for my artwork goods or services. This is stated clearly on my [Shop Policies](#) page and is simply in place to protect my rights as the Artist. In the event that you lose access to these files, you can always find them on my [Services](#) page.

If you have any issues with your order or questions about the process of this exchange, please do not hesitate to contact me at dezydration@outlook.com. My office hours are **Monday - Thursday, 10 AM - 6 PM CST**, excluding US federal holidays and Wiccan sabbats. I try to respond to all communications within 24 office hours of receiving them, though responses may be slightly delayed during busier periods. Currently, this email is the best way to contact me, **not** social media.

About YCH Commissions

My YCH (abbreviated from "Your Character Here") commissions are commissions with premade parameters with limited customization - often, the option to insert a character or person of choice into a premade composition - at a generously discounted price. These customizable pieces are available only for a limited time and at a limited quantity. Once they're gone, they're gone for good!

In some cases, there is information I can obtain from you upon adding the YCH Commission to your cart, but in all cases, I will require additional reference imagery and/or detailed reference descriptions provided via email. At your earliest convenience, please send your reference to dezydration@outlook.com with the subject line marked with the title of the YCH Commission listing. If I do not receive an email from you with the necessary references within 24 hours of your order, I will contact you during my next available office hours via the email provided with your order. You will then have 5 business days once this email has been sent to respond or your order will be cancelled and refunded. Only once the necessary reference material has been received can I begin work on your project during my next available office hours.

Turnaround time may vary for your finished piece by complexity. For all commissions, I use a slot and queue system which is kept public on my [Services](#) page for your reference. This means that I only focus on a few projects at a time and keep a queue of projects which will be bumped up to my Focus Slots as I complete things on a first-come first-served basis. YCH Commissions have their own special Focus Slot. I explain this system more thoroughly in my *Artwork Commission Contract*.

When I have completed your piece, you will receive a PNG of the finished product via email. You may request only slight changes - up to my discretion - should you feel it is necessary and only within the parameters for customization which were outlined in the description of the listing. Further, if you have ordered any prints or stickers of your finished piece at the time you placed your order, I will confirm your shipping address with you at this point. You will have **24 hours to respond** from the moment the email is sent to respond, or I will go ahead with the finished product and provided address at check out as is. **It is very important that you regularly check your email when ordering a YCH Commission from me.**

Customer Usage Permissions

My Rights: Under United States copyright law, copyright protections begin the moment a work is fixed in a tangible media of expression. This means that when a piece of visual artwork is created visually – either by digital or physical medium – the artist who created the artwork has exclusive copyright for said piece. In possessing that exclusive copyright, the artist retains the sole and exclusive right to display, distribute, reproduce, and create derivative works based on that piece however they see fit.

I, as the Artist, will always retain these rights to the work I create unless otherwise discussed and put into a signed contract stating the contrary. Much – if not all – of the artwork that I create will be displayed on my website galleries and social media platforms at the moment I decide to display them and for as long as I decide to display them. Though, please note, that I will never use your personal IP for personal profit.

In the case of YCH Commissions, this means that any finished products I create for you will be displayed publicly on my websites, on social media, or on any platform I may use in the sharing of my artwork. When sharing this piece, I would love to mention you, your social media handle(s), or your project website in the description of the work I do for you. You will have likely already provided this information upon adding the listing to your cart for checkout, but if you have any specific requests for this, please let me know. Likewise, if you wish to instead remain anonymous, I am also happy to make that happen upon request.

Your Rights: In purchasing a YCH Commission from my shop, I grant you permission to display your finished piece(s) for personal use only (i.e. social media avatars, non-profit social media posts, personal home décor, etc.) – that is, in any way that does not have the potential to benefit you financially. When sharing my work, please note that you are not permitted to alter my work in any way, including the removal of any signatures I may place on my work. Finally, when sharing my work publicly, it is greatly appreciated but not required that you credit me with my name (Dezy Delaceur *or* Dezydration) and a link to my website (Dezydration.com). Should you have any questions about these permissions, feel free to contact me.
